TALKING POINTS FOR FAMILIES

Talk about:
• What your child is learning in prekindergarten.
• Any developmental progress you have seen since your child began school.
• How you are involved in the school/classroom.
• Your positive interactions with the teacher.
• How you were welcomed in the school.
• Family events that the district/school provides.
• How prekindergarten has helped you as a parent and as a teacher with your child.
• How and why your child is happy in school.
• How the district/school has helped you with any specific concerns about your child.
• Why you feel the school is a safe place for your child.
• How your child has become more independent.

My child has learned.

Wow!
